Dear Mrs Ceccarini,

Please note that you are listed as a co-author on the manuscript "Cerebral cannabinoid-1 receptor availability in functional dyspepsia: a [18F]MK-9470 PET study" (reference number: NPP-14-0493), which was recently submitted to Neuropsychopharmacology.

The corresponding author is solely responsible for communicating with the journal and managing communication between co-authors. Please contact the corresponding author directly with any queries you may have related to this manuscript.

You can now use a single sign-on for all your accounts, view the status of all your manuscript submissions and reviews, access usage statistics for your published articles and download a record of your refereeing activity for the Nature journals. Please check your account regularly and ensure that we have your current contact information.

In addition, NPG encourages all authors and reviewers to associate an Open Researcher and Contributor Identifier (ORCID) to their account. ORCID is a community-based initiative that provides an open, non-proprietary and transparent registry of unique identifiers to help disambiguate research contributions.
